

I am NEVER a fucking “African-American”!

I am NOT “half-Black.”

I am a mulatto, but I am ALWAYS Black.

I am, sometimes, a Negro.

I am usually a nigger... I am usually a “nigger.” I am usually a n**ger. I am usually an (“)N-word(“).

Now that *THAT’s* out of the way...

This compendium is in memorium of my brother, Chris Monfort. Though he might not fuck with a lot of this, he would die for my “right” to write it. Plus, he’d appreciate that I “had the balls” to do so...

I dedicate this to Franklin “Hogg” Hargus (and his cocksucker). Thank you both for the wisdom and inspiration...

An Afro-Nihilists Libation...

I play the Sims, but only Cleo,
cuz I wanna set it off...

like Mookie and Smiley.
I wanna pirate, like a Somali,
On the wide Sargasso sea
and free every Sally Hemmings.
Squat like Ellison's pre-"Ex-Worker"
and be too "G" to need even a name...

I am a sick nigga, I am a spiteful nigga,
an unpleasing nigger.
No more balling like a quadroon,
This mulatto is bringing tragedy
like a mix of Bigger Thomas and Val Solanis
Lighting up August worse than Joe Christmas,
in way to put Jimmy Governor to shame...

If only other edgelords

would listen to Zami's biomythography

Why not go Boko Haram?

My bastardization of divination ends here,
In contemplation, not completion...

They say we can't hate everybody,

*and so the pillars of society "-ism," "-ology" and "-emacy"
some bullshit at us,*

*(sometimes **capricious**, always **arbitrary**)*

*to absolve portions of the population
of what they "deserve"...*

(Whatever that fucking word means.)

*A race of infants, sick with abuse,
cannot read, yet die to write
they name on a wall they don't own.*

*Grasping to death at shiny baubles
and crying away self-respect to get they dick wet...*

*If not better than the race of teenage boys
who love only games, rules and strategy,
at least they more honest...*

Intentions be damned.

[The simple mind does overgeneralize, but how many exceptions does it take to define the rule?]

He only a god,
when he got a gun in his hand.
Without systemic power,
the weak settle for respect
and from individuals, no less.
Discipline tastes like cowardice to the hungry.
If all I have is worth less
than a perceived slight,
why not throw it away on a dice game?
Money matters more
than my Black life.
Only the rich can afford to be open-minded,
so the holy trinity of my community
is respectability, conformity and arrogance
(that bastard son of ignorance and
aggression)
Needless to say,
I don't get invited to my own family cookouts.

Master: -can be asked during your break.

Warrior: We can make a better world. We can- [Warrior is silenced by the placement of white headphones in his ears]

Master: Get to work! [Character exits]

[Master writes the names of various resources on a large piece of butcher paper, tears it off the pad, tears it to pieces and burns it in a nearby garbage pail. He then faces the audience and shits in the garbage pail, singing commercial jingles. While intoning the names of various brands, he whips Warrior like a slave with an actual bullwhip. When finished, he spoonfeeds the contents of the garbage pail to the Warrior, now a Zombie...]

Master: Thank you for shopping with us!

Slave: ...And what do YOU do?

Character: I cut my hands.

Slave: -could be worse, I-

Character: I throw food away.

Slave: -but the company makes money!

Character: I have to bribe people in white coats if I want to see the sun.

Slave: Just buy health insurance!

Slave: I LOVE pop music-

Character: and annoying ads-

Slave: those ads ARE catchy-

Slave: At least you live in 'Murica!

Character: You call this living?

Slave: I don't know. I been here over 20 years. I missed my Mama's lasts and my kids' firsts. I met my wife here. I got divorced, because of here. I can't remember... what it felt like... before I came here. You're still young. You should be happy.

Character: That doesn't make me happy. At all... Maybe you-

Slave: I gotta get back to work. [exits]

Zombie: Peanuts?

Character: Roasted?

Zombie: Peanuts!

Character: Salted?

Zombie: Peanuts!!

Character: Shells on?

Zombie: Peanuts!!! Peanuts?

[Master shines light in Zombie's eyes, shakes rattle, puts on Santa hat and beard]

Zombie: Peanuts! Peanuts!! Peanuts!!! [Wanders off]

Master: "I thought I wanted limes, but the display... at the store... looked like shit. I mean, one of the limes wasn't facing the same direction as all the other limes and... and there was a brown spot on it. Brown is fucking disgusting. So I left. Now I have nothing to go with the tequila... My superbowl party is ruined." That's from a zombie. They're not supposed to be ABLE to talk, if you did your job up to standard...

Character: Standard?

Master: Standard, yes, standard! If you don't like it...

Character: I'm sorry... I got a letter today. My ma- mother. She was caught eating fruit she picked and they threw away. The man who oversees, he saw. She sleeps in the back of a truck... and he saw. He tried to... or he would tell... she fought him. She doesn't have a job, and may have to start... again. She might be sent back home... It is a lot on my mind and my heart.

Master: Up to STANDARD, harder than the HARDEST working WORKER or I'll... or you'll... if you don't like it... AH!... I've got it!!! What's that cheesy pop song, that's real URBAN, yeah, when then vocalist hits that major or minor key, or whatever its called with "beats", their eyes... programmed to look up-left... see the blue patterned triangles we've placed according to schematic, and their stomachs... programmed to constrict with hunger when their retinas are stimulated by this imagery, yes, yes... THAT marketing campaign will ensure my BONUS. I'm a genius.

Character: Your bonus?

Master: You're dismissed. Consider this a verbal warning. Someone will be by with papers for you to sign...

Character: Verbal warning?

Master: Yeah, further corrective action could be up to and including termination.

Character: Termination?

Master: Are you...? Yes, termination. I said dismissed... You've been sent home.

Character: Sent home?

Master: Clean the bathroom on the first floor, while you're at it. Someone made a mess...

Character: [writes] I don't know if this will get to you. I know you will survive. When I make enough... when I own my own... when I... I can't lie to you. I can't let this go on. It looks normal, and that is sick. Yesterday, the master... he said she was stealing something... He grabbed her... a grandmother... she fought him... He... her throat... she passed out. They put her in a cage anyway. A grandmother. "She should have thought of that"... I don't want to think anymore. I'm sick. I'm not the only one. Someone should... I love you.

Slave: What did YOU do today?

Character [stripping off mask, leans the long gun against something, puts a piece of paper in Slave's front shirt pocket, removes gloves]: Well, I disabled the power to the cameras, sound system, everything... then I laid some zombies to freedom... a lot of zombies. I also wrote a suicide note... for you!

[Slave picks up long gun, aims at character, pulls trigger. It was empty. Pigs rush in and shoot Slave dead.]

Pigs [to character]: You okay?

Character: I will be...

[Master, naked in a cage]

Master: I have to go to the bathroom...

Character: Do you have a doctor's note?

Master: I'm in a cage...

Character: If you don't like it, you can leave...

Master: You're keeping me in here...

Character: Playing the victim? Why don't you take responsibility for YOUR actions?

Master: I haven't eaten in... Has it been weeks? Please... Some water...

Character: I gave the last one water, and he escaped. Sorry... There's this...

[extends full meal on platter]

Master: Thank you!

Character: But it has a brown spot, so...

[slams tray on the floor, splattering food all over... Master grabs for some of it, character intercepts by stepping on Master's hand]

Character: You wanna eat that? It's fifteen dollars... Do you have fifteen dollars?

Master: N-n-no...

Character: So you were stealing from me?

Master: N-n-n-no...

Character: You were stealing from me! [thrusters open the cage door, pulls Master out]

Master: P-p-please...

Character: YOU WERE STEALING FROM ME!!!!!! [begins beating Master with a pipe, savagely. Master is dead] Stealing, is grounds for termination...

Character in cell, writing:

Character: My master is dead. I have an owner now... Ah. Breakfast...

Cellie: Yo, that has a brown spot on it!

Character: I know. It's beautiful...

Worthless / Without a Master (Belial)

Before the men with Christ in their mouths and a bloodstained book of bullshit raped children, our ancestors had some dope gods. "Deities"? "Orishas," maybe? Later, to some, "Loa"... Who knows? Eventually, the Non-profit-Blackademic-glamour-industrial-complex of woke-ish, revisionist face-saving has shed-skinned them into alphabet soup to feed a toothless ASP... The East-Side Khemet boys' dilated pupa became a dung heap, a yard of scarabs fattened on Golden Crust-y calves that put the whole planet on the Dollar Menu. Embalmed as Copts, they invite Abraham to the cookout and go on occasional PBUH crawls with names in Hebdo Charlie or Salman Rushdie mouths... but even with an MVP like Ivory, his baby cousin Coltan and a sub-Saharan home-court advantage, our Golden (Coast) Warriors had they clocks cleaned over the Atlantic.

Luckily, Anansi was a stow-away, and his cobwebs still line the attic...

The land of the Midnight Sun's corpse-painted minstrels got (the rites to) the Son of the Morning, while the Sun Peoples (of Lenny Jeffries theories) may love the "Evil" of a Howlin' Wolf, but only rep the outcast when it's the Andre 3000 kind. Christ-inanity's cancer of hypocrisy loves the crime and hates the criminal, but OZ is it written on Augustus Hill, "God is the ultimate gangster"... while Satan's in prison for trying to come up (from Slavery, like Booker T!), so why don't the New Jim Crow lead to "Mass Identification" (with the angel most fallen)?

For (A) change, cape for the bringer of light, NOT the whites! You know we Black folk take too much to pleasure for it to be a sin. We built for joy, unlike Puritan-Americans, whose Jesus is a Nazi saying "work will make you free." I guess JC is the REAL gawd of trickery (so Elegba, nay ESHU, got some work to do). May Ogun kill the coon in your head, and Oshun use the blood (not from "the lamb," but her own womb) to trace a circle on the Earth wide enough to hold both Lil' Nas AND Malcolm X. Shango has a proud erection for self-determination, so let Ben's bleats for calm in an MLK Junior cadence Crump-le, and righteous vengeance, nay riotous revenge, be the call to free 'em all!

Dedicated to Manuel Gagneux and Daunte Wright - - two fellow members of my Mulatto Tribe who inspire me in different ways...

#NotAllAncestors

My ancestors didn't abandon their gods,
or trade 'em for "the ONE" in the mouth of they colonizer.
My ancestors were the godless, who didn't abandon their reason.

My ancestors killed, rather than be captured,
Even if they felled only themselves
and, of course, their children...

My ancestors were exiles, "criminals," and whatever you call someone
that can't smile at their own rapist.

My ancestors didn't turn the other cheek,
or suffer in "strategic" slavery.
They didn't clamor for equality, respectability,
pieces of shitty pie, or places at crummy tables.

They didn't use spirituality or community
to justify prolonging lives unfit for humxn beings....

My ancestors were NOT Kings and Queens
but the nameless niggaz building the pyramids,
tending fields, mining metals and biding time
'til the right back was turned...

My ancestors brought balance,
through defiance, vengeance and nonconformity.
They chose they own families, adopted they own identities,

and defined reality in terms ALL their own.

They didn't wait, pray, compromise or collaborate...

Instead of acceptance, they practiced rejection.

Despite all the above, they were STILL Black.

Brilliantly, beautifully, uniquely Black.

They were no longer "Afrikan," and were never "Amerikkkan."

They were "Black," because they understood what that meant.

I wish we all did.

Today, and everyday, I honor them as best I can.

Fuck Juneteenth.

[Put up with Pet-Life, or be put to sleep]

Even better than eating "good"!

Honest Work - - "Ballet"

SANTOS, a Brown man wearing angel wings and a glittery masquerade style mask, plays an acoustic guitar upstage, in the background, beginning before the lights even come up.

Lights up.

KNOWONA, a Black womxn, walks in from stage left. She wears a server's outfit, with the logo of "The Liberty Cafe" on it. BURNEE, in ski mask and threateningly carrying a knife, enters from right. He is dressed in a long trench coat, concealing his attire. They meet in the middle. He sheaths knife. They dance, waltz-like, to the guitar music.

Black. KNOWONA screams, bloodcurdling.

TOOLIE (offstage): In this world, nobody gets fucked worse than the small businessman!

Lights up. Santos continues playing, in the same position. This time, he is without wings, and in a busboy uniform. FAVOREET, a young white womxn dances terribly in the foreground, unable to complete one step without falling. KNOWONA, in the background, dances excellently, though she winces and almost falters every time TOOLIE DOUCHE (older, obese white man, asshole, center stage, on phone, at desk) uses violent language. ALPHABEE, a miserable-looking older white womxn, is at his right, conducting with a wand, facing the audience.

TOOLIE (on phone): FUCKING PRICK... AGAIN???... SO SOON?... FUCK him! RAISE my FUCKING... Well, then... That fucker I just hired... he's gotta go! We're paying out the ASS on LABOR! I don't FUCKING care if he's a DOCTOR wherever the FUCK he's FROM... This is AMERICA, and he's a SHIT FUCKING busser! Hold on...

SANTOS calmly places the guitar down, exits the stage. Without music, the dancers do even worse.

TOOLIE: Good afternoon, Liberty Eatery, “where the cream rises to the top!!!” No problem, just a sec, hold a moment, please and thanks! - - SOMEONE take this FUCKING order, do I have to do FUCKING everything?!?

ALPHABEE begins dancing, obviously miserable, for the duration of taking a phone order. She then resumes conducting, as happy as she can be.

TOOLIE: Yeah. Back. What? FUCK!!! How much? FUCKING distributors... I mean, the delivery driver... maybe the internet provider... definitely the servers... even the dishwashers... don't even get me started on the cooks, they ALL wanna FUCK ME!!! I paid my FUCKING DUES, they gotta, too!! What if I change the name, then? Something EDGY-er... NO, I DON'T want to hear any FUCKING ideas, I'm the FUCKING owner. [hangs up] I have to do EVERYTHING!!!!

TOOLIE storms off the stage. FAVOREET manages to actually complete a simple dance step. ALPHABEE takes notice, drops wand and rushes over to her.

ALPHABEE: Great job!!!

FAVOREET: I know...

ALPHABEE: Why don't you take the rest of the day off?

FAVOREET: With pay?

ALPHABEE: Of course! You've got some sick time...

FAVOREET: ...and JUST in time! Tonight's the Adult Children Competition! The most ironic African American imitation wins “Gigglefest” tickets, and a free cask of craft ale!

ALPHABEE: [backing away from FAVOREET, into KNOWONA] Aw, you deserve it!

FAVOREET exits, as ALPHABEE collides with KNOWONA, knocking her to the ground. She turns to face KNOWONA.

ALPHABEE: Watch where you're going, you... What's wrong with you? All day, you've been - -

KNOWONA: It's nothing...

ALPHABEE: Oh, so you're doing... less than your best... on purpose?

KNOWONA: It's persxnal...

ALPHABEE: Well, you don't have to tell me... and we don't have to put you on the schedule. If work is getting in the way... of your persxnal - -

KNOWONA: No. I'm sorry... I'm sick...

ALPHABEE: Well, you don't have to tell ME! I have a spastic colon, polyps in my intestine and hemorrhoids to top it all off... yet I still manage to do my job... flawlessly, and without complaint. What's wrong with YOU?

KNOWONA: I was attacked...

ALPHABEE: Allergies?

KNOWONA: An animal...

ALPHABEE: A dog?

KNOWONA: A man...

ALPHABEE: Oh. Well. Just get someone with a degree - -

KNOWONA: I have a degree!

ALPHABEE: - - or a badge - -

KNOWONA: You don't need a degree to - -

ALPHABEE: - - to vouch for you... it's not that we don't believe you, but... Your next day off is?

KNOWONA: Monday...

ALPHABEE: Get it done then, and... When are you - -

KNOWONA: Tuesday...

ALPHABEE: And we'll see you on Tuesday... and put the matter... of your recent performance... behind us.

KNOWONA: I... My... Would it be okay if I... Please...

ALPHABEE: Of course... Today's been a struggle... for all of us... but I am sure we can manage. The toilets aren't going to clean themselves...

ALPHABEE methodically begins conducting, staring at KNOWONA, who resumes her original place on the stage and dances at breakneck speed. TOOLIE re-enters, and ALPHABEE turns to face him. At this point, KNOWONA begins dancing as slowly as possible.

TOOLIE: If you weren't my FUCKING wife... I just took a look at the FUCKING books... WHY didn't you tell me we were being RAPED!!!!

KNOWONA falls, crying.

TOOLIE: [looking around, not seeing KNOWONA] What the FUCK? The tables look like SHIT?!?

ALPHABEE: You fired the busser, hun.

TOOLIE: Well, let's hire another...

WYATT (bro-y white man, late teens / early 20's) enters, stepping over KNOWONA.

TOOLIE: You're hired!

WYATT takes SANTOS' place, playing the guitar horribly.

TOOLIE: [to ALPHABEE] I've got a feeling about this guy...

ALPHABEE: You said that about the last one...

TOOLIE: This time I fucking mean it. There's just something about him...

BLACK

Lights up on COMMONTATORS, in the center of the stage. #1 is played by the same actor as WYATT, #2 by SANTOS.

COMMENTATOR #1: DEATH... In the White skin, weighing \$500 dollars a month rent and two felony convictions, we have the 48 year old, recovering alcoholic BURNEE!!!!

Lights up on BURNEE, stage right, on his knees, praying. He wears boxing trunks, a cooks' apron, no shirt and boxing gloves. The recorded sounds of crowd fanfare play briefly (obviously a recording), and he rises, jumping, dancing, dodging as if in the actual ring.

COMMENTATOR #2: And in the Black skin, weighing \$200 a week at a roominghouse with three child support payments, we have - -

COMMENTATOR #1: The CHALLENGER!!!!

Lights up on a Black man, about 40 years old, dressed in the same attire as BURNEE. He has already been jumping, dancing and preparing. Recorded boos from the audience abound for a beat. CHALLENGER reacts to the crowd as would "the heel" in a wrestling match.

The bell rings! The COMMENTATORS remain between BURNEE and CHALLENGER, who look across the stage at each other and shadowbox, the other responding as if actually receiving the blows.

COMMENTATOR #1: The pressure's on... BURNEE'S got day shift...

COMMENTATOR #2: - - A clear advantage - -

COMMENTATOR #1: FINAL ROUND, HOLIDAY WEEKEND, AND - -

Whistle blown, followed by alarms, crowd screams, bloodcurdling aural chaos, which becomes slower and distorted as scene draws on in “chopped and screwed” fashion. Boxing pantomime stops, and BURNEE reacts as if the entire left side of his face has been scalded with napalm-like oil, while in a burning kitchen. CHALLENGER is frozen, as if in a still photo.

COMMENTATOR #1: HOT OIL!!!

COMMENTATOR #2: GREASE FIRE, GREASE FIRE!!!! The FLESH on his FACE... HIDEOUSLY BURNT!!!!

COMMENTATOR #1: - - THAT'S GOTTA HURT - -

COMMENTATOR #2: One simple mistake...

COMMENTATOR #1: In all my days as COMMENTATOR - -

COMMENTATOR #2: One tragic mistake...

COMMENTATOR #1: The judges have decided...

COMMENTATOR #2: There are no winners...

SILENCE. Both drop personas. BURNEE is huddled, his hand never leaving the now-scarred side of his face. SANTOS picks up the guitar, begins playing a simple, mournful tune. COMMENTATOR #1 hands a pint bottle of liquor to CHALLENGER (which frees him from his frozen position), and begins changing into WYATT costume, in background but still visible. CHALLENGER approaches the broken, huddled, silent BURNEE.

CHALLENGER: Game over... [he drinks, then hands bottle to BURNEE, who takes it with his free hand. CHALLENGER turns] Thanks for playing...

CHALLENGER walks off stage. BURNEE waits for a beat, and puts the bottle to his lips.

Silence. BLACK

Lights up. KNOWONA at stage left, in background, an oversized piece of paper in her hand. She stands proudly, unmoving, dressed in punk attire. FAVOREET plays the guitar, terribly, in the center of the stage, as TOOLIE and WYATT dance terribly together nearby. ALPHABEE conducts, as usual. HC (White man, in chefs hat, working-class accent / demeanor) at stage-left, foreground, dancing. FAVOREET, ALPHABEE, TOOLIE and WYATT wear "Liberation Kitchen" uniforms. TOOLIE and WYATT dance by HC.

TOOLIE: We've had him for years...

HC: How-do-ya - -

FAVOREET: Beats me!

TOOLIE: You'll be his boss -

WYATT: Yeah, yeah, yeah...

KNOWONA: Ma'am, I have your - -

ALPHABEE: [to HC] YOU'RE FUCKING UP!!!!

HC begins a different dance.

HC: How-do-ya - -

FAVOREET: No idea!

KNOWONA: Miss, that letter - -

ALPHABEE: [to HC] YOU'RE FUCKING UP!!!!

HC begins a third dance. TOOLIE and WYATT dance by FAVOREET. It is a sexualized dance.

TOOLIE: She's the best...

FAVOREET: What do I do?

TOOLIE (lasciviously) and ALPHABEE (maternally): Whatever you want to!!!

TOOLIE: You'll be working together...

WYATT: Yeah?!?

TOOLIE and WYATT dance by KNOWONA. It is a violent dance.

TOOLIE: Finally, this is - -

HC: How-do-ya - -

TOOLIE: She does everything - -

ALPHABEE: Badly!!!

TOOLIE: - -That's why you're gonna be her boss, too!!!

WYATT: Yeah!!! [to KNOWONA, dancing violently and sexually beside her] Hey, you're gonna have to help me, 'cuz I don't know SHIT about this job... maybe, sometime, we could...

KNOWONA: Boss, I got - -

ALPHABEE: [to HC] YOU'RE FUCKING UP!!!!

HC begins yet another dance

KNOWONA pushes WYATT aside, takes center stage, and shoves paper into ALPHABEE'S hand.

KNOWONA: Yo!!! Here!!!...

She continues across the stage, exiting.

TOOLIE: What's gotten into that... and in front of a customer!!!

AWFULCER, white man in police uniform, enters stage and begins working out in the foreground. Squats, jump-squats burpies, push-ups, plank, etc.

TOOLIE: I am so sorry you had to witness that, please - -

AWFULCER: You never have to apologize. All those free meals, for me and my guys, after Septembulleventh - -

TOOLIE / ALPHABEE / WYATT / FAVOREET / AWFULCER: NEVER FORGET!!!

AWFULCER: - - you don't have to be sorry for nuthin'... Anything I can do faw ya, ya let me know...

TOOLIE: Well, look, after today, that one with the lip is - -

ALPHABEE [reading paper]: On a mental health leave of absence...

TOOLIE: WAIT!!! WHAT??? [grabs paper] FUCK!!! [reading] PTSD??? I don't buy it!!! If she REALLY had... then she would have... it doesn't add up!!!

ALPHABEE: It happened to me...

TOOLIE: [reading letter] "No compassion"? [looks up from the page] I TOLD her I'm the most compassionate FUCKING... No animal products, fair trade EVERYTHING, I even give money to... I even VOTED FOR - -

ALPHABEE: I still did my job...

TOOLIE: [reading letter] "DISCRIMINATION"? [looks up from the page] I TOLD her, it isn't about... Try to get a bank loan as a small business owner, THEN we'll talk about FUCKING discrimination. I KNEW she'd play the FUCKING race card, and after all I did for that - -

ALPHABEE: ... flawlessly, and without complaint.

TOOLIE: We can't afford a paid vacation for this wanna-be welfare queen... [crumples paper in his fist]

ALPHABEE: Employees have rights...

TOOLIE: We can't afford a FUCKING lawsuit, either!!! [smooths paper out]

ALPHABEE: Protections under the law...

TOOLIE: We can't afford to hire... or fire...

ALPHABEE: If the company has 50 or more employees...

TOOLIE: We can have her killed!!!!

[pause. Everyone on stage takes notice]

ALPHABEE: ...and we have 48!!!

Widespread relief.

TOOLIE: Sometimes, just SOMETIMES, the small businessman gets a FUCKING break!

Sound of a phone ringing. TOOLIE answers.

TOOLIE: "Liberation Kitchen... First the dishes, then the revolution"... Will that be cash or credit?

BLACK

LIGHTS UP. Actor playing WYATT sits across from BURNEE at a desk, now in the character of DABOSS. BURNEE is BURNEE, dressed as almost a vagrant. SANTOS applies WHITEFACE makeup to WYATT, while CHALLENGER applies the HIDEOUS BURN makeup to BURNEE, who regularly hiccups, drunk style. He slurs his words, while DABOSS affects a superior tone and faux British accent.

DABOSS: That will be 4 years and \$160,000 dollars... Normally, there's a discount for melanin- deficiency, but...

BURNEE: I know... my last job. I was injured... badly.

DABOSS: "Horseplay in the workplace"...

BURNEE: Their words...

DABOSS: Their testimony... And it seems as if, on MANY an occasion, you were - -

BURNEE: Twice... When I was a kid, we - -

DABOSS: Tough upbringing. I know. Listen...

BURNEE: Sir... Please... LOOK AT ME!!!

Both men are fully made up. They connect, for a beat. CHALLENGER and SANTOS exit. DABOSS drops his gaze, produces a business card and pen, and scribbles something on the back of the card. He looks back up, to meet BURNEE'S one good eye (the other is covered with a patch).

DABOSS: I won't... but I know someone who will... offer you... something. [extends business card across desk] Something more suited... to your present circumstances.

BURNEE reaches out to take the card. When he grasps it, abrupt bump to

BLACK

LIGHTS UP on KNOWONA alone in the center of the stage. She is dressed in a hardcore/punk style outfit. She changes into the silly uniform of "The Liberty Eatery."

BLACK

LIGHTS UP on BURNEE, in the center of the stage. He wears nothing but beaten-up, hobo-style shoes; an oversized novelty diaper with pin, and a baby bonnet. It is absolutely ghastly with his burn scars and eye patch. He holds a sign, which reads "BIG BABY TAX SERVICE", and depicts a cartoon, suited IRS agent smacking a naked newborn on the ass. BURNEE sounds drunk.

BURNEE: Even a BIG BABY can make BIG BUCKS!!!!!! [pulls the pint bottle from the back of his diaper, drinks, and replaces it] Don't let UNCLE SAM put you across his KNEE!!! Fight BACK, with BIG BABY, and get... what you deserve!

KNOWONA enters stage, on phone, and oblivious to BURNEE. She wears "Liberty Eatery" uniform.

KNOWONA: Compassion and cooperation, NOT competition and control... If they just respect boundaries, identities and differences, we'd... A revolution of values is the ONLY way ANYTHING... Who you tellin'? The new place I am at... I been there a

minute now, and I feel like I'm the only one... It's ALL exploitation, at least you get PAID! I barely make enough... my hours, what I wear, EVERYTHING is on they terms, and I STILL have to put up with... 'cuz LIFE is unsafe, 1 in 3 of us... and if they legal... Maybe I would...

BURNEE: Hey, baby... You know, you're real pretty...

KNOWONA: [to persxn on phone] What? [to BURNEE] Oh, NOTHING! Some CREEP trying to holla at me... [back to phone, walks across and off stage] See? We can't be free of this shit for a minute, we might as well make it work for us... [exits]

BURNEE: Real pretty... [pulls out pint bottle, drinks, replaces it] For a dark-skinned girl...

WYATT comes out onto stage, with Black angel wings and devil horns. He puts the trench coat around BURNEE'S shoulders, and pulls the ski mask over his face. He pulls out the knife, extends it to BURNEE. Beat. BURNEE looks in the direction of KNOWONA offstage and takes it. Abrupt bump to

BLACK. KNOWONA'S BLOODCURDLING SCREAM, from the opening of the play, resounds throughout.

LIGHTS UP on KNOWONA, center stage, with a large sign reading "THIS IS NOT A SAFE SPACE". She is dressed in traditional African attire. TOOLIE, WYATT, ALPHABEE, HC and FAVOREET stare at her through the window, from within the restaurant. Their uniforms now read "Compassionate Conservative Cafe'." Still, they all do their respective dances. The phone rings, breaking their fixation. TOOLIE answers.

KNOWONA: RAPED by a STRANGER, then FIRED for it... VIOLATED by my ASSAULTER AND my EMPLOYER, the - -

TOOLIE: [into phone] "Compassionate Conservative Café, where traditional American values are the order of the day!" What can I... Yes, we've changed... the name, policies, everything! It's almost like we're a COMPLETELY different... Hello? FUCK!!!!

KNOWONA: My SPIRIT... my BODY... my MIND, ain't important as they BOTTOM LINE! Don't give your DOLLARS to MONSTERS, DON'T support the - -

TOOLIE: "Compassionate Conservative Café, where traditional American values are ALWAYS on the menu..." Yes, we are... Yes, she is... 3 days now. I guess she does, but so do WE! She - - FUCK!!! No more Mr. Nice Guy, I'm calling the POLICE!!! [starts dialing] NO ONE cares more about freedom of speech than ME, but - -

KNOWONA: EVERYTHING about this SHIT is FUCKED!!!

All inside the restaurant stop dancing, frozen. KNOWONA starts dancing, her recorded voice playing over the speakers.

KNOWONA [recorded]: Sheitan... I will not be his bride. His courtship is constant... compelling... I smile to survive it. Ignoring your warnings, I left your warmth for his fire. It blinds me... but those on whose shoulders I stand see how badly it burns. These ancestors compete with corporate slogans for space. They did not consent to this... and they will not let us forget. They scream our real name, so loudly, but... for all the electricity in the air... for all the plastic in the water... for all the garbage in my soul... I can hear only indulgence... addiction... deception... illusion. Concrete is cancer, but it can be cracked. Defiant roots just need a little bit of soil to make a home... Mama. Baba. I am so sorry. I am coming home...

AWFULCER enters stage, raising gun and fires. KNOWONA drops, dead.

AWFULCER: In her hand... In her waistband, maybe... She had... something.

TOOLIE: Thank you.

AWFULCER: Don't mention it. It's nothing...

He enters the restaurant (begins working out). FAVOREET and WYATT begin dancing, as if working, oblivious. CHALLENGER and SANTOS enter stage. SANTOS wears angel wings again, begins playing the same tune from the opening of the play. CHALLENGER, in traditional African attire, helps KNOWONA off the ground. They exit together, silent and solemnly, as TOOLIE and ALPHABEE, begin to waltz together, giggling, terrible at it. A recording of TOOLIE'S voice comes over the speakers.

TOOLIE [recording]: In this world, nobody gets fucked worse than the small businessman... but sometimes... just sometimes... he get's a FUCKING break!

Abrupt bump to BLACK.

END.

A lil' ditty 'bout Abuse

by J."g."J.

They beat you so bad, so often ("in the past...")

All they need now do is shoot you a look...

When the outside world batters the shit out of you

knowing it will only be worse at "home" is what's truly fatal.

There's neither peace, nor escape,

nor time to catch a breath there.

It's exhausting, anticipating their needs,

phrasing your every desire to sound like one of their requests.

A living 24/7 reminder of their power, nay, artistry...

How does it feel to be material?

Don't worry, I'll provide the answer... or else.

Being abused for being abused is almost comical.

Instead, it is just devastating.

Panthers were scary when they were feeding babies,
so the system caged them in the universities.
Street Queens were so scary in their defiant beauty,
the system made their legacy about joining the military.
“Antifa” is lovely when we demonstrate “non-violently” (against Trump and Nazis),
but scary when we turn it on Biden and Bernie, and go to bat against the po-po.
Even “mutual aid” was scary, until it became sexy,
and the new word for “charity” (thanks to the “brain fog” of COVID-19)...

“The Uprising” was scary, until preacher-grifters, ambulance-chasers
and clout-hungry Instagram influencers began bleating for “calm.”
We kneel before corporate sponsors in response to police terror,
for negotiations with the State over budget reallocations,
and maybe no more monuments to the Confederacy.

It cannot be “reformed”.

Honest Work: The Third Annual Report

A stack of posterboard, a pile of costumes w/ props, and a sharps container full of items are pre-set on the stage. Emcee enters, in a suit, top hat and dress shoes.

Emcee [matter-of-fact]: **I'm working at my JOB, I'm so HA-PEE... more BOR-ing by the DAY, but they PAY-ME!** [Emcee shows "Posterboard 1 – Side A" to the audience. Handwritten in black marker, it reads: '*Honest Work: The Third Annual Report, by J."g."J.*']

Emcee [slightly agitated]: **I'm working at my JOB, I'm so HA-PEE... more BOR-ing by the DAY, but they PAY-ME!** ["Posterboard 1 – Side B" is now shown around to the audience. Handwritten in black marker, it reads: "*Bibliography: Dead Kennedys, Conan the Barbarian (1982), Ubu Roi, The 48 Laws of Power, Jesco White, Pink Floyd, Guns N' Roses, Pantera, The Sex Pistols, Megadeth, Ralph Ellison's Invisible Man, Melvins, The Moody Blues, One Flew Over the Cuckoo's Nest, Last House on the Left (1972), Cat Stevens / Yusuf Islam, Dale Carnegie, Tales from the Hood (1995) and, of course, Throbbing Gristle...*"]

Emcee [scream-y, maniacal, labile vocalizations]: **I'm working at my JOB, I'm so HA-PEE... more BOR-ing by the DAY, but they PAY-ME!** ["Posterboard 2 – Side A" is selected, and shown around to the audience. Handwritten in red marker with black outline, it reads: "*Dedicated to EVERYONE who profits off of poverty, homelessness, illness and prison... 'cuz that's where the REAL money is!'*"]

Emcee takes position in the center of the stage, flips "Posterboard 2" around to show Side B. On it have been glued photos of [atrocities]

Emcee [matter-of-fact]: **Humxn rights don't fucking exist... Only civil ones that the government gives... and, in four years or so, can taketh away...** [Emcee tears "Posterboard 2" to pieces] **No matter how basic, necessary, etcetera, these so-called services are... they are provided, exclusively, by shitty companies... in competition, and for money... whether they call it profit or not...** [Emcee tosses the torn pieces into the air (to the left, to the center and to the right) to rain down upon the audience. Hands come to prayer position, speaking in Gregorian / Catholic style chant]: **Through them, with them, and in them... in the futility of a liberal co-a-lish-on! All EMULATION and PROSTRATION is yours, Lordess Ac-ro-nym, god-x of the non-profit industrial complex...** [clapping, Black church style] **What time is it? MANTRA TIME!** [many times, around / to / with the audience, until it makes sense to address them.]

Emcee [Thulsa Doom]: **What are our core values? [Conan] Crush your enemies, see them driven before you, and listen to the lamentations...** [matter of fact] **of they non-binary baes... HEIL FUNDER!** [remove top hat, hold it out to be filled with dollars. Toss hat to the side]

Emcee retrieves "Posterboard 3," shows it around the audience. It reads: "*CHAPTER 1: EVERYTHING NOT PROHIBITED IS MANDATORY!*" Emcee tears posterboard into small pieces, scatters them at / over the audience, and dons EXECUTIVE DIRECTOR UBU costume [large print-out of Pere Ubu illustration affixed to

hard cardboard on a stick. It is held in left hand, as a mask, while a plunger is held in the right hand, spoken into as a microphone. EXECUTIVE DIRECTOR UBU stands Stage Left]

EXECUTIVE DIRECTOR UBU: MASS INCARCERATION is the bee's knees, so we're gonna run battered wimmin's shelters like a MARATHON! Children's hospitals will be indistinguishable from MILITARY OPERATIONS! If ONLY our recovery centers could be more like CASINOS, and housing the homeless more like SPORTSBALL... The merciless logic of FREE MARKET CAPITALISM, if applied to these lowest-hanging of untapped fruit, will see me canonized as the patron saint of MEGA-JACKPOT LOTTERY winners! [shove plunger between left armpit and rib as in the Ubu illustration, perform handout gesture like reverse nazi salute] **HEIL FUNDER!!!**

Emcee tosses Ubu stick mask to the side, and approaches individual audience members with plunger mic. They are selected based on appearance / caprice. Emcee speaks into plunger mic, places it to their mouths after for their possible answers.

Emcee [to first audience member selected]: **The sin of wages is death-in-life. How do you pay your rent?** [allow for answer, move on with/without ad-libbed response]

Emcee: **Train cars get crowded like trash compactors get full, and condos build-up like plaque in a colon. REMEMBER... chickens are CHEAP, but cages are EXPENSIVE!** [to another audience member, holding plunger mic under their mouth] **What do you do for food?** [allow for answer, move on with/without ad-libbed response]

Emcee: **The master's tools destroy pretty good, that's why he keeps 'em under lock and key. The same knife used to castrate my ancestors can cut out cancers.** [to final audience member selected, with plunger mic] **Why shouldn't I kill my boss?** [allow for answer, move on with/without ad-libbed response. Toss plunger to the side, gather HR LADY costume - - bike helmet with naked Black Baby doll hanging from it in a harness of hanger wire. The doll's face has been painted in a "whiteface" caricature]

Emcee: **Nazi say he like Black people** [Jesco] **"if he wanna live to see tomorrah."** **And** [Roger Waters] **"MUNN-AY"** [Phil Anselmo] **"can't live in the past!"** **The 48 laws is all-too-common in this marriage.** **Monkey SAY diff'rint. He don't DO diff'rint... 'cuz this ain't** [Johnny Rotten] **AN-AR-KAY** [Axl Rose] **"you're in the JUNGLE, baby"...** [angry Black self] **And fragile-ass crackers gotta be comfortable...** [Genesis P-Orridge]: **By far the worst was the HR Lady...** [Emcee dons HR LADY costume helmet, runs to Stage Right]

HR LADY: It was Assata "YASSS KWEEN" Shakur who said "we can't do nothing but loosen our chains," and in response, management has issued the following reparations: Our without cause terminations are pre-certified by Black Lives Matter, LLC-TRADEMARK, so to accuse the company of "racism" is itself a punishable microaggression. In the interest of reducing extractive emotional labor, Native land acknowledgments are lead exclusively by white allies, and in a way that EVERYONE can enjoy! To in any way criticize this is inherently racist! During recess, we

play chess, but with Diversity, Equity and Inclusivity... The King and Queen are still white, but the pawns are all Black "theys"! Zoomed-up in buzzwords and abbreviations, experts in pyramid schemes better the agency with twentyfourseven trainings when they are not on vacation, and hopefully no clients DIE in that time. Do you want your company logo T-shirt in Juneteenth colors or the LGBTQ plus Pride Flag?

Emcee removes HR LADY helmet, places it back in the pile, and collects Posterboard #4, showing it around the audience. It reads: "*CHAPTER 2: COLLEGE JENKINS AND JOBS MCKENZIE TELL FETTY LOU HOW TO LIVE RIGHT!*"

Emcee tears posterboard, scatters pieces at / over the audience, and grabs JOBS MCKENZIE costume: a venetian mask [made of a deflated basketball, with dollar bills glued messily to the inside in all directions like feathers or spikes, with an adjustable strap fashioned out of a belt] and a ball cap.

Emcee [Dave Mustaine]: **If there's a NEW WAY... I'll be the first in LIE-EEN... but it better WORK this TIME** - - [Emcee dons JOBS MCKENZIE costume]

JOBS MCKENZIE: **If youngins is good at books, they get paid to give a grown-ass man the what-for... Y'all educated fools is arrogant and confused! My great-grandpops was a slave, and taught me the way the world work. He said "Work the job, don't let the job work you!" What else he say? "Work smart, not hard." I ain't no company-man... the COMPANY a ME-MAN... I heard they was hiring folks to sit somewhere, play on they phones and tell niggas "No!," and I said "sign me up!" Beats holdin' a sign in the street all day... or diggin' graves. So when that union came putting sweet nothings in my ear, I used protection. The board of directors don't play... we got cops on it, judges on it, bankers, ministers... my son work here, too, and when he got uppity one time, they almost lynched him! I tried tell him (and my sister's boy, who also work here) what my great-grandpops told me: "Live with your head in the lion's mouth. I want you to overcome 'em with yeses, undermine 'em with grins, agree 'em to death and destruction, let 'em swoller you till they vomit or bust wide open!"** [Emcee removes mask and hat, returns them to the pile]

Emcee [King Buzzo / Steve Austin] **Cause I can only figure...** [removes suit jacket, casts it aside] **My time away.** [Begins unbuttoning shirt] **I could tell but wish I could... prevent... the way we went.** [opens shirt; underneath, nipples have been taped over, tits have been traced under with paint pen, a midriff corset drawn on shaven torso] **You know by the way you spend this, so bored and so left...** [strips shirt off, tosses it at audience] **You can tell by the thought of bigger ones... you save a man** [slips off shoes, returns them to the pile] **Oh YEAH, I forgot to get my PILLS...** [Strips off socks, casts them aside] **I got to go DOWN-TOWN!** [begins undoing pants] **Cause I can wear a coat** [pulls down pants, revealing bloodstained thong panties, ripped fishnets] **like some MANLY MAN!** [removes pants, casts them aside] **You know that the house can live like some band-stand mind...** [removes FETTY LOU mask from SHARPS container and holds it up to audience; it is fashioned from a nylon stocking, with red messy lipstick-like mouth drawn in paint pen around a slit. Eye-shadow and wing-tip eyeliner drawn in black paint pen] **I confess I know it's like the timid face of man that's hiding** [pulls mask on, adjusts it] **Play in the sandbox, and jump and ever poured just sand** [pulls wig from

SHARPS container] **OH yeah!** [puts wig on, smooths out] **I FOR-GOT to get my PILLS...** [transformation complete, stands with hands on hips] **I GOT to GO DOWNTOWN...**

FETTY LOU chambers her fists and opens Yee-Chee-Kim-Yung-Ma. She steps her right foot back, directly in front of the SHARPS container and shifts away from audience towards it, as in the final traveling section of Chum Kiu. She steps her back foot forward to meet the forward one, as in the same Chum Kiu section - - but shoulder-width apart. She bends abruptly forward at the waist, her ass in the audience's face, and thrusts her arms into the container with a double low bong-sau, as in the same section of the same form. She grabs a bent spoon in it with her left hand and grabs a lighter from it with her right. She stands, with both arms outstretched, as in double crane break from Siu Lim Tao, but still holding the items. She pulls both arms into chamber, as in the follow-up to this technique. She steps her right foot back as before, shifts to face the audience, but steps her forward foot back to meet the other. She opens Yee-Shee-Kim-Yung-Ma again, and punches both arms out to the side in Jesus Christ Pose.

FETTY LOU: When white bois ain't running everything [brings spoon to chest level with left hook punch] **they run everything over.** [brings lighter under spoon with right hook punch] **Fuck electric scooters!** [begin burning spoon with lighter, left-right-left chain punches] **If niggaz had rights like those bikes, we could sleep on the street in peace.** [Discards spoon w/ gan-fook-shift to the left] **Technology ain't smart** [discards lighter w/ right gan-fook-shift to the right] **people are just dumb.** [Finds vein / left fook into tan sau, right palm slap left forearm as in Chum Kiu, then replace hands 2x] **My pussy shoulda come with a QR Code...** [Right mok sau with left in chamber, then Moy Fa Kuen sink with right fist and left block] **What, I should march like an Afrikan behind a phone to feed buildings full of yuppies** [gesture to audience with left hand, while right hand remains in fist]... **AND BUPPIES?** [point with finger of same hand to specific folks in audience] **A dollar got no color on it,** [plunge left hand into sharps container] **but a bitcoin...** [pull from sharps container a brightly-colored, old-school plastic squirt gun filled with water and blood-red food coloring; a "cylinder" of syringes has been super-glued to it] **A gentlemen kills with compromise,** [stand abruptly, shoot audience from the far left until center, replace squirtgun in right hand and pass it across audience to the far right, squirting them all the while] **and the kindness of a gas chamber.** [sink again with right fist and left block, pass gun from right hand to left, drop squirtgun back into sharps container.] **Whoever smelt it dealt it?** [open and close right hand while rubbing right forearm with left hand] **Naw!** [plunge right fist to the ground, as in monkey kung fu; left long sau, slowly, as opiates take effect] **I reject bipartisanship!!!** [extend left leg in monkey pre-crawl position, with arms up in ready-position; teetering, like Drunken-style, but under water] **Fuck any and all "isms!"** [place left palm on ground, monkey crawl once] **Once it gets bigger than don't be an asshole** [shift to right, with right leg leading in pre-crawl position. Drop right palm to ground, pass left over right, monkey crawl again back to center] **it's BULLSHIT!** [up in teetering Drunken ready position, languidly come to square monkey squat, facing audience. Arms up, drunkenly, in ready-position] **All you company men... are LIARS** [point with left finger, lose balance, shift weight onto left foot, left monkey fist on ground to brace] **and COWARDS** [right arm is drunkenly raised in block, then weakly falls in a right fist on the ground beside the left], **treating friends like ENEMIES** [swift, powerful right-back fist – left axe fist combo] **and enemies** [weak, slow opiated left back fist] **like friends...** [the weakest, slowest, most opiated right axe fist. Fist drunkenly hovers inches above the ground, and FETTY finally falls, defeated, back onto buttocks, legs spread] **Fuck a company... schools... any and all prisons...** [hunch forward in a legit "nodding" gesture. Beat. Lift face to audience when speaking] **Punishment don't FIX,** [straighten torso and head, with last bit of consciousness] **it only BREAKS!** [fall backward into complete lying position]

After a beat and still on the ground, Emcee strips off mask and wig with one pull, rises to costume pile, puts shoes back on and gathers COLLEGE JENKINS costume: A venetian mask [made of a college textbook cover with torn, laminated pages glued messily to the inside, emerging from all directions, secured to the head with a strap] and a toga.

COLLEGE JENKINS [sung like Justin Hayward]: "**Bee-yoo-tee I'd ALL-WAYS MISSED, with these eyes BEFORE... Just what the TROOTH is, I can't say ENN-EE-MORE...**" [scratches head exaggeratedly, searches for Posterboard #5 – Side A, which has been cut into the shape of a large, comic-book speech bubble. He stands still and non-dynamic, holding it and displaying the side that reads: "*You can change MORE by working WITHIN the system...*" He speaks, professor-like / il Dottore] "**Just what I'm going through, they can't understand... Some try to tell me... thoughts they cannot defend...**" [speaks like himself, an educated Black man in pain] "**Just what you want to be, you WON'T be in the end...**" [flips Posterboard #5 to Side B. On the back are photos of missing / murdered Black and Native wimmin. He resumes singing like Justin Hayward] **AND I LOVE YOU!!!! YES I LOVE YOU... OH, HOW I LOVE YOU... OH HOW I LOVE YOU...**"

Emcee casts Posterboard #5 aside, removes mask and toga and returns with them to costume pile. Emcee grabs HR LADY helmet and Posterboard #6.

Emcee [Genesis P-Orridge]: **HR LAY-DEE...** [Emcee dons HR LADY helmet]

HR LADY [shows Posterboard #6 around the audience. It reads: "*CHAPTER 3: FUCK HUMXN RESOURCES, I'D RATHER BE AN ANIMAL*"] **We're not an institution, we're a vulnerable persxns management corporation with a customer-service orientation and an emphasis on team cohesion.** [tears Posterboard #6] **You made certain sounds. Keystrokes we didn't like. Intentions that did not center the leadership of the organization. This is what is important.** [scatters pieces of posterboard into the audience, removes helmet, casts it aside]

Emcee [Genesis P-Orridge]: **HR LAY-DEE...** [returns to pile of costumes] **We've always had trauma. We used to have witchcraft. But they killed our magic, and now we just have science. No demons, no possession, just chemistry of the brain. It's easier that way. Disorder can be cured, and not by ritual, but - -** [Genesis P-Orridge] **"Discipline! Discipline! We need some DISCIPLINE in here!"** [grabs cat o' nine tails from costume pile - - it is made of knotted pieces of rope. Little glued nooses are tied at each end, the "handle" made of pens superglued together. Emcee shakes pen handle at audience, screams like Genesis P-Orridge] **DISCIPLINE!** [Emcee brings nooses to dangle in front of Emcee's face, pen-handle pointed upward] **DISCIPLINE!** [flips handle in hand, so that pens are pointing down and the ropes hang whip-like over Emcee's hand] **We need some DISCIPLINE in here! DISCIPLINE!** [whips back with cat o' nine tails, while facing the audience still] **DISCIPLINE!** [whips again] **We need some DISCIPLINE** [whips back] **in here!** [turns, to expose back to audience] **DISCIPLINE!** [whips back] **DISCIPLINE!** [whips back] **We need some DISCIPLINE** [whips back] **in here!** [casts cat o' nine tails aside]

Emcee: [Radio announcer] **Akin to Chief Bromden's test of the broken windows theory in response to Nurse Ratched's overdue Real Rent payment...** [Cat Stevens / Yusuf] **I LOVED you, my LAY-DEE...** [Karen scream] **A wealthy neighborhood resident was inconvenienced while walking their FUR BABY!** [Cat Stevens / Yusuf] **THOUGH in your GRAVE you LIE...** [caricature of JOBS] **"Jus' because she a Black, homeless, drug-addicted, mentally-ill, rape-victim-on-the-run who been trafficked since she was fifteen - -"** [Cat Stevens / Yusuf] **"I'll ALL-WAYS be with YOU..."** [caricature of JOBS] **"... is NO EXCUSE fo' huh ta be disrespect'foo!"** [Beat. Cat Stevens / Yusuf] **"This ROSE will NEVER die... This ROSE will never DIE!"**

Emcee: [Running at audience, addressing an audience member] **Which neuterversity sold you on a lobotomy?** [wait for answer, possible ad-lib response]

Emcee: [To next audience member]: **Which college were you de-fang-estrated at?** [wait for answer, possible ad-lib response]

Emcee: [To final audience member]: **Which did they choose for you; Life or school?** [verbal buzzer sound, interrupting answer] **ACK! There is no LIFE... only school, you stupid FUCK! Humxinity is actualized solely through the academy. Let 'em eat a post-graduate degree. Let 'em choke on that shit. Let 'em choke to fucking DEATH!...** [Hess Brothers] **“And the ROAD... leads... to no-where...”** [gathers COLLEGE JENKINS mask and toga] **“and the CASTLES... stay... the same...”** [dons toga] **“And the FAH-THER... tells... the MU-THER... WAIT for the RAIN... WAIT for the RAIN...”** [don mask with final line of song] **“And the RO-OAD leads to NO-WHERE...”**

COLLEGE JENKINS [gathers foil, birthday party noisemaker and lighter from SHARPS container. He puts the noisemaker to his lips, holds it in his teeth as he passes the lighter under the foil. He “takes a hit” by blowing noisemaker. He casts items to the side]: **If Jesus were alive today, he'd be a tenured professor... 'cuz miracles ain't billable.** [raise right hand, point upward with only index finger] **He taught me one thing, though;** [wag index finger from right to left] **You ain't here to make friends...** [left wrist comes up to make contact with right wrist, left fingers pointed upward. Draw right hand back into chamber at hip, simultaneous with right back step into full bow-and-arrow stance, left hand in kiu sau] **you're here to learn.** [right ping choi punch, with left fist chambered, left step with right foot following. Right fist opens into fook sau, left into open palm, drunkenly hold the position as opiates take effect] **I saw her again, in a tent, on a filthy mattress stained with shit, blood and cum. Incontinent, beaten into traumatic-brain-injury simplicity,** [step forward with right leg, then cross right with left in scissor step, both arms dangling down as in Lau Ga Kuen] **non-verbal... crying... but still alive...** [reverse legs with double butterfly palm and strike, as from Lau Ga] **“In the interest of harm-reduction-based, trauma-informed, client-centered care,” they released her to a trafficker.** [arms drop and dangle, slump over at the waist] **In the words of the agency,** [twist at the waist to face audience, left hand falling to the ground, left knee bent into drunken, wavering yoga pose] **“we simply cannot tolerate disrespect...”** [A beat or two passes. Draw right leg in, straighten at the waist. Right man sau, left wu sau combo from Biu Tze, step out strong with right foot in bow and arrow stance kwun sau from the end of Lau Ga] **I wanted to care for her.** [shift to the left in higher-stance, with Wing Chun kwun sau, left foot in soo ma] **Find her family.** [kwun sau to the right, chamber fists at hips, raise left leg in hanging horse. Sideward thrust kick from Chum Kiu. Step left foot forward into bow and arrow stance, left so sau - right ping choi - left fu jow] **Take her home with me...** [slink both open palms to hips in chamber, double palm thrust and right step into bow and arrow, as in Moy Fa. Hold it, wavering] **I even thought about paying for time with her... to give her a few moments of protection...** [knee strike with back left leg, pull both palms down to meet knee. Step left leg forward into deep bow and arrow stance, hands in ready position. Right kick with right fist in chamber, left palm coming to meet kick, as in Moy Fa. Right leg pulls back, with left hand in forward man sau, right in wu sau, and left leg drawn slowly back into soo ma] **OF PEACE...** [drop left man sau to side, limp and defeated] **of genuine love...** [right hand to heart, tapping. Right hand to right ear in “phone” gesture, turning body away from audience to the right by shifting left foot inward and stepping back with right foot] **I thought about calling somebody...** [return to face audience with abrupt shift to the right; right hand slides down and across face in right Biu Tze elbow strike. Left hand meets it to slap elbow. Beat] **or killing somebody...** [drops right and left arms to side, finally, wavering] **But, in the end, I just walked away...**

Emcee removes book-mask, returns to costume pile, throws it to the ground. Toga is removed, JOBS MCKENZIE mask is donned, but with a top-hat, this time.

Jobs McKenzie: [Clarence Williams III as Mr. Simms] **WELCOME... TO THE DALE CARNEGIE SCHOOL OF SOCIAL SERVICES, MUTHAFUCKAS!** ["White voice," as COLLEGE JENKINS mask is picked up and read from] **They mention mental health, you mention minimum staffing requirements. If they talk about compassion, you condescend about consequences. Patly drown out requests re: individual needs with euphemisms, assumptions, metaphors, cliches and "if we did that for everbodys". Standardized incompetence, lethal indifference and a heaping helping of cold bureaucracy ALWAYS get the goods! Cha-ching** [He stoops his shoulders, removes hat and holds it out in supplicating gesture; he changes his voice from corporate to coon] **...and heil funder!**

Emcee removes COLLEGE JENKINS mask, throws it to the ground, walks off stage. End.

The Best Men Lie Under the Earth
by Comrade Duc de Blangis

Your world is an ashtray, nay,
a garbage can,
but nary a recycle bin to be found.
Playgrounds filled not with children
but empty syringes, left by adult babies
of the non-kinky kind.
People concentrated without (fore)thought;
It's these cities, not the Earth,
that are overpopulated...
and familiarity breeds contempt.
It leads to alienation, dehumanization,
sub-sequent desires for domination --
a torture garden grown of boredom...
BUT sadism is one hell of a drug
when you've tried all the others via Pornhub.
Paywalls and screens-ALL!!!
I hated everybody even BEFORE technology
mediated every fucking interaction.
I can't "re-wild" amidst the rural devotees
of the most oppressive pre-civilized practices.
Yahweh, Adam, Abraham, etc.
have no rite to be remembered on a stolen Turtle Island...
With no connection to anything
(drinking coca-cola with the Musks and Bezoses notwithstanding)
I romanticize the Jagas and Vikings --
too far away to be Tonton Macoute, or even Huey's BPP
too innocent with savage nobility to be the NYPD
or the Knights of White whatever,
cuz everybody needs a Santa Claus

to survive the Winter.

I look for precedent (a.k.a legitimacy)

for my fantasy (propensity?)

- to burn gaybashers and abortion-clinic bombers
alive in their homes.

- to castrate (fellow?) rapists, or just any white man
with the balls to smile while prisons still exist...

- to throw Mitch McConnell, Ted Cruz, Rand Paul, et. al
into an octagon of starving lions,
to die like the good Christians they are!

- to put a pistol to the skull of anyone ever called "officer,"
and, with a captive bolt, say: "that'll do, pig!"

But to paraphrase Pasolini's 120 Days,

"We would want to kill you 1000 times..."

AND when it's all done,

I won't cum, but cry,

because I've been touched by the man in the mirror
and he's saved the best for last.

Domestic Supply of Newborn Porn (Slug Bait)

[Enter space, in N95 mask, Tyvek suit and nitrile gloves. Trash bag slung over shoulder. Bag contains two pieces of paper (one folded, one not), Bible, Devil mask, change of clothes). Tyvek suit is sharpie'd with the names of characters and artists quoted in the piece. The word "rapist" appears in parenthesis beside appropriate parties.

If done in theatre, sit amongst the audience until performance time. At such time, stand from seated in crowd and proceed...

Pull off N95 mask, scream to get attention]

[Pick up trash bag and proceed to stage]

Ernest Feeley: Gather 'round, gather 'round. On the stage, on the stage. In a circle, in a circle.

Nothing makes me cum harder than hope

From delusions of revolution to liberal wet dreams.

You point your fucking cocks, and say “thass the bad guy”

at the Brown face that you cast as a femicidal coyote.

Not to kink shame,

but you do no more than clutch chlorine-smelling pearl necklaces

when Haitian mandingoes get whipped by Texas

for fleeing to THIS shithole country.

Not to kink shame,

but you shoot only white tears

at the engorged belly of a starving Yemeni baby

and gasp for multiple little deaths in Palestine.

NTKS,

but you do no more than spurt tacky paste

and post flaccid flyers against genocide in Tigray.

What would it take for you to kill a politician?

Any politician? EVERY politician?

Now THAT would get me off.

Ketanji and Kamala are too vanilla

and spunky AOC and them too woke

to do a damned thing to Marjorie Dearest or the SCOTUS

when they say YES to wire hangers,

but get a load of Volodymyr.

Oh, Volodymyr... Oh Ukraine...

[Begin tearing paper, scatter pieces]

poRn caricature: **Oh Ukraine... you're so good. You're so GOOD... You're the best. You're the fucking best. Yeah. Yeah. Fuck me. Ukraine. Fuck me Ukraine. Fuck me, yes. Yes, Ukraine! Ukraine! YES!!!!**

[smack self in face. Stop. Get Bible from trash bag]

Le Tenia: **Tu penses que j'en ai fini avec toi?**

[grab Satan mask from trash bag, stand, put it on, and pull down underwear. Approach shill in audience, wordlessly extend hand to be shaken. Silently shake the hand of every audience member in circle. Return to the center. Pick up Bible with left hand, cover crotch with it and begin masturbating with right hand. When (hopefully*) finished, performer displays the page with cum on it, tears page out and sticks it to his belly. Put underwear back on. Remove mask.]

Le Tenia: **Maintenant, j'en ai fini avec toi...**

[Theatrical bow.]

End.

* If performer cannot cum, pick an appropriate time to stop and throw Bible onto the floor. Can also piss / shit on Bible (wiping with pages) if able.
