of western imperialisms designs and efforts to reinvade and recolonize is a point that can be argued in the light of the international situation it is one thing that they don't back the will of the people as much as they chose allies in the East-West wars fought on the ground of the non-white colonies. It is another thing that Anarchy ceases to inflame or take the lead in combating fascism and imperialism here in North America with the history of the Wobblies, the western federation of minors and other groups who have made their mark on history. It is a denial of our historic task, the betrayal of Anarchists who died resisting tyranny in the past, malingering in the face of horrible conditions. It is the theft of an option to the next generation and forfeiture of our own lives through faint hearts.

We permit people of other ideologies to define Anarchy rather than bring our views to the masses and provide models to show the contrary. We permit corporations to not only lay off workers and to threaten the balance of workers while cutting their salaries, but to poison the air and water to boot. We permit the police, Klan and Nazis to terrorize whatever sector of the population they wish without repaying them back in any kind. In short, by not engaging in mass organizing and delivering war to the oppressors we become Anarchists in name only.

Because Marxists and nationalists ain't doing this to a large extent doesn't make it any less a shame. Our inactivity creates a void that this police state with its reactionary press and definite goals are filling. The parts of people's lives supposedly touched by mass organizing and revolutionary inspiration that sheds a light that encourages them to unveil a new day, instead are being manipulated by conditions of which apathy is no less a part than poisonous uncontested reactionary propaganda. To those who believe in a centralized party with a program for the masses this might mean whatever their subjective analysis permits. But to us who truly believe in the masses and believe that they should have their lives in their hands and know that freedom is a habit, this can only mean that we have far to go.

In the aftermath of the Overtown rebellion, the Cuban community conceded as lost souls by Castro came out clearly in support of the Black colony. And predictably the Ku Klux Klan, through an Honorary FBI agent Bill Wilkenson, made no bones about supporting the rights of businesses and the business of imperialism. Third World colonies throughout the United States face genocide and it is time for anarchists to join the oppressed combat against the oppressors. We must support in words and actions, self-determination, and self-defense for third world peoples.

It is beside the point whether Black, Puerto Rican, Native American and Chicano-Mexicano people endorse nationalism as a vehicle for self-determination or agree
