disposal but an ongoing development and synthesis of current and past struggles. Indeed, both the life and blood of our current youth, elders, and ancestors has been spilled to provide the economic impetus for the current ruling-class corporatist arrangement and the sociological impetus for the pervasive racism, sexism, homophobia, and transphobia plaguing our current society. This system cares nothing about our lives, families, homies, or hopes and dreams which we intend to protect with arms as we attack each of capital's major productive points. These strategies will develop as future rebellions develop into longer insurrections, as society shifts into a condition favorable for the revolution that is fomenting amongst the masses of dispossessed peoples. We will unite, inspire, and protect our community and build bonds with autonomous armed revolutionary projects across the world. We desire the destruction of capital, policing, racial and sexual hierarchies, and all forms of sexual and cultural oppression. The insurrectionary movement of the near future will build upon the aforementioned networks of care developed through revolutionary reclamations of capital and property to create conditions favorable to the growth of a Black Commune. The only way to begin to protect these revolutionary projects while delivering blows to the state is by the understanding and proliferation of Armed Joy.

By "Armed Joy" we mean the self-organized armed struggle of the committed Black anarchist minority affecting and proliferating among the Black masses at-large to provide the gasoline fuel for the wildfire that will eminently burn the amerikan plantation in all its capitalistic splendor and initiate the long-awaited social revolution at the critical moment. By initiating this attack, we intend to give our children a fighting chance to survive on this planet regardless of the fears of white amerika in general and the almost non-existent white left in particular here in amerika. We understand from the fatalities in kenosha that the state will aid fascists that kill whites that stand against their occupation whether peaceful or otherwise. We encourage dedicated non-Black comrades to struggle against oppression in their own unique ways while genuinely learning from the struggle and leadership of Black comrades. We must find the best ways to resist together. However, we will not hesitate to use arms against those "allies" who willfully misinterpret our actions to justify state repression or whose reckless actions engender harm upon our communities. Due to the capitalists' greed and reckless oversight in placing copious amounts of drugs and guns in our community, our communities are already well armed and proficient in the use of arms as tools of destruction and self-hate. They will be made to see who the real enemies are. The weapons the capitalists created to destroy us will destroy them. The capitalists' international weapons manufacturers are also our enemies. There can be no peace until all the oppressive modes of production are destroyed. That is, our last gun will be stripped and destroyed when the last capitalist is dead and the methods of
