Understanding Patriarchy bell hooks (2004)

Patriarchy is the single most life-threatening social disease assaulting the male body and spirit in our nation. Yet most men do not use the word “patriarchy” in everyday life. Most men never think about patriarchy—what it means, how it is created and sustained. Many men in our nation would not be able to spell the word or pronounce it correctly. The word “patriarchy” just is not a part of their normal everyday thought or speech. Men who have heard and know the word usually associate it with women’s liberation, with feminism, and therefore dismiss it as irrelevant to their own experiences. I have been standing at podiums talking about patriarchy for more than thirty years. It is a word I use daily, and men who hear me use it often ask me what I mean by it.

Nothing discounts the old antifeminist projection of men as all-powerful more than their basic ignorance of a major facet of the political system that shapes and informs male identity and sense of self from birth until death. I often use the phrase “imperialist white-supremacist capitalist patriarchy” to describe the interlocking political systems that are the foundation of our nation’s politics. Of these systems the one that we all learn the most about growing up is the system of patriarchy, even if we never know the word, because patriarchal gender roles are assigned to us as children and we are given continual guidance about the ways we can best fulfill these roles.

At church they had learned that God created man to rule the world and everything in it and that it was the work of women to help men perform these tasks, to obey, and to always assume a subordinate role in relation to a powerful man. They were taught that God was male. These teachings were reinforced in every institution they encountered— schools, courthouses, clubs, sports arenas, as well as churches. Embracing patriarchal thinking, like everyone else around them, they taught it to their children because it seemed like a “natural” way to organize life.

As their daughter I was taught that it was my role to serve, to be weak, to be free from the burden of thinking, to caretake and nurture others. My brother
