ended up shot and one ended up dead. This is not insurrection at all. Insurrections require deep networks of care and love or they will die out before they can develop into a revolutionary movement. These white led anti-black autonomous zones must be attacked with the same ferocity that we attack the cops and the white militias. It goes without saying that white leftists who kill black people and reimpose white supremacy onto supposedly liberated spaces are our enemies.

Supposed black anarchists or leftists who cover for the White left's violent and anti-black tendencies must be considered enemies as well. Tokenism exists within anarchist spaces. We are tired of yt people claiming that their groups are multi-racial and unproblematic because they have the one token black anarchist. It is strange that anarchists and the Left in a broader sense seem to understand tokenism less well than liberals though this speaks to the failure of any sort of yt anarchist political orientation towards race. It is clear that anarchism exists as a scene rather than a revolutionary movement when there are multiple majority white "anarchist" projects in majority black or POC cities. Furthermore, publishing a black anarchist book or having one black anarchist in a project does not mean your anarchist project is not colonial. If you are a black anarchist covering for white anarchist nonsense, you should stop. We don't care if these people are your "friends." If they reimpose white supremacy on black people even as "anarchists," they are enemies.

The white left, for the first time in human history, must collectively prioritize the rest of the world's wellbeing in mind over their own cultural racism and privilege. It is the job of all other oppressed affinity groups across the kountry to ensure that they have no choice but to act in our interests. We are not our elders. We do not have the time or patience to wait for the white left to garner the moral capacity to become true revolutionaries while we are slaughtered like dogs in the street. Either you will aid the revolution as comrades or we will attack you as enemies until you do.

So, What Should Be Done?

We must begin to realize that only the community will effectively deal with the matter. Not the racist capitalist system, with its repressive police, courts, and prisons. Only we have the psychology and understanding to deal with it; now we must develop the will. No one else cares. – Lorenzo Kom'boa Ervin

We believe in evolutionary and revolutionary change. Evolutionary change means prefiguring ourselves and immediate comrades towards organizational changes we can make on a daily basis towards our end goal of revolutionary abolition of the state. Our evolutionary changes opens the door to an insurrectional opening
