

WORKS

Day of Love and Rage, and comrades in WSA in New York. The rest, as they say, is history. I have been back with a vengeance ever since.

All of a sudden, I see there are now others in the movement who understand the workings of white supremacy and they have encouraged me to rewrite this pamphlet I have gratefully done so. Why am I an Anarchist? I have an alternative vision for the revolutionary process. There is a better way. Let us get on with it!

What I Believe

All anarchists do not believe in the same things. There are differences and the field is broad enough that those differences can coexist and be respected. So I don't know what others believe, I just know what I believe in and I will spell out it simply, but thoroughly.

I believe in Black liberation, so I am a Black revolutionary. I believe that Black people are oppressed both as workers and a distinct nationality, and will only be freed by a Black revolution, which is an intrinsic part of a Social revolution. I believe that Blacks and other oppressed nationalities must have their own agenda, distinct world-view, and organizations of struggle, even though they may decide to work with white workers.

I believe in the destruction of the world Capitalist System, so I am an anti-imperialist. As long as Capitalism is alive on the planet, there will be exploitation, oppression and nation-states. Capitalism is responsible for the major world wars, numerous brush wars, and millions of people starving for the profit motive of the rich countries in the West.

I believe in racial justice, so I am an anti-racist. The Capitalist system was and is maintained by enslavement and colonial oppression of the African people, and before there will be a social revolution white supremacy must be defeated. I also believe that Africans in America are colonized and exist as an internal colonial of the U.S, white mother country. I believe that white workers must give up their privileged status, their "white identity," and must support racially oppressed workers in their fights for equality and national liberation. Freedom cannot be bought by enslaving and exploiting others.

I believe in social justice and economic equality, so I am a Libertarian Socialist. I believe that society and all parties responsible for its production should share the economic products of labor. I do not believe in Capitalism or the state, and believe they both should be overthrown and abolished I accept the economic critique of Marxism, but not its model for political organizing. I accept the anti-authoritarian critique of Anarchism, but not its rejection of the class struggle.
