

WORKS

Black youth matriculating through the amerikan university system must accept the university as a site of white supremacist machinery and work to bring its operations to a halt. We must take whatever information is useful from the universities back to our communities to educate, organize, and propagandize those both younger and older than us. The university, much like the state itself, only serves the further development of the neo-colonial class of Blacks and the cooptation of movements led from the bottom-up. The university in amerika whether “historically black” or otherwise is the pit of “crisis management” that will never find actual solutions for the problems it creates. It is a cesspool of student loan debt and worker exploitation. We must leave bourgeois affiliations and corporate opportunities behind at the universities in preparation for the coming insurrection.

The only alternative for the masses to revolution is death. The protracted genocide of the oppressed masses are reacting to COVID-19’s political, social, and economic crisis and the slow collapse of this system. The time for change is now.

The current insurrectionary tendencies in the United States tend to lack any sort of genuine politics which are anti-oppressive or move from the Margins as the Anarkatas say. They instead tend to be dominated by men who just want to fight. We do not believe there is revolt without care. This is completely erased by the “insurrectionary” tendencies who dismiss all collective care work and long term organizing which prioritizes building relationships as “liberalism.” We fail to understand how a serious insurrection will be sustained without deep networks of care and love let alone supplies and infrastructure.

We must begin to build dual-power. We want to be clear that dual power if it is built must be tied to the insurrection. Leftist cooperatives or projects that do not serve the spontaneous revolt of the black masses are simply vanity projects. We see this with how most “infrastructure” built by leftists was irrelevant to the George Floyd uprising. Dual Power, as defined in anarchic terms, is the strategies of building self-organized counter-institutions to combat the current decadent, capitalistic institutions. Emphasis on the combat part of that sentence. As we build our affinity groups we must come up with new alternatives to the current power structure to begin building. New systems of justice, fresh food gardens, community entertainment, community defense, etc. As institutions are destroyed, new consensus-based, horizontalized, self-managed structures will take their places. At the same time, we must begin armed squatting of our homes and community centers to defend ourselves from gentrification and forced displacements. It may end up being inevitable, but we will also need to find suitable places for communities in the event our homes are destroyed by the capitalists’ military bombs. If it happened to MOVE in 1985, it can and will
