

for white people. A reactionary life of drugs, money, and fame may be appetizing to some but we must somehow invent ways to make the coming insurrection more appealing to black youth. We can build new futures based on our own dreams and communities. We must develop a new sense of care for one another and develop solutions to the violence by any means necessary. Let it be known, we can attack the state and white supremacy and build our community simultaneously. “Black-on-Black,” is a white invention as is “crime” itself. Abolish the kkkriminal justice system. Free all political prisoners. Free Larry Hoover. Free Tay-K. Free Palestine.

A failure to act is an implicit approval of state-sanctioned genocide. For example, as of December 2021, Black people comprise 29.6% of Chicago’s population but we account for over 80% of all homicides. So-called “Hispanics” comprise 28.8% of the city and just 13% of all homicides. Whites comprise 50.0% of the city and just 3.8% of all homicides. We observe that the vast amount of mental health and educational resources, healthy food options and after-school opportunities lie in the white communities. These resources must be seized and reproduced in all underserved communities over the course of the insurrection to benefit all. Otherwise, they must be destroyed to benefit none. Revolutionary violence must be spread to the affluent areas in the suburbs to create a new field of conflict for the state. It must be understood that the city, county, and state police, and by extension, the army are what holds this violent arrangement in place, by force and so, they must be destroyed by force. We must build networks of protection and movement from within our communities and without.

History tells us to be wary of the inactive white left. We believe that inaction is complicity with white supremacy. In fact, we believe it to be intentional, willful inaction due to the characterization of collective movements for liberation by white people since we were brought here as slaves. Throughout our time on this continent, a status quo with Black people as victims of racialised violence via slave owners and later police has been quite acceptable. We understand that we are still slaves in this system and you understand this as well. A failure by the white left to organize a counter-violence to white supremacy in coalition with us will result in the Black people left with no other choice but to move on the white community with force. If nothing, we will prove that we are all humans that can live and die by violence all the same and at the same rates. In the words of Elder George Jackson, “Our pledge is to arms, our enemies are institutions and anyone with vested interests in them, even if that interest is only a wage. If revolution means civil war — we accept, and the sooner begun the sooner done.” That is our pledge, in the event that a revolutionary movement against the ruling-class is made impossible by the white masses across the kountry.
