Authoritarian Leftists: Kill the Cop in Your Head

It's difficult to know where to begin with this open letter to the various European-american leftist (Marxist-Leninist and Marxist-Leninist-Maoist, in particular) groups within the United States. I have many issues with many groups; some general, some very specific. The way in which this is presented may seem scattered at first, but I encourage all of you to read and consider carefully what I have written in its entirety before you pass any judgments.

It was V.I. Lenin who said, "take from each national culture only its democratic and socialist elements; we take them only and absolutely in opposition to the bourgeois culture and bourgeois nationalism of each nation". It could be argued that Lenin's statement in the current Amerikkkan context is in fact a racist position; who is he (or the Bolsheviks themselves) to "take" anyone or pass judgment on anyone; particularly since the privileges of having white skin are a predominant factor within the context of amerikkkan-style oppression. This limited privilege in capitalist society is a prime factor in the creation and maintenance of bourgeois ideology in the minds of many whites of various classes in the US and elsewhere on the globe.

When have legitimate struggles or movements for national and class liberation had to "ask permission" from some eurocentric intellectual "authority" who may have seen starvation and brutality, but has never experienced it himself? Where there is repression, there is resistance... period. Self-defense is a basic human right that we as Black people have exercised time and time again, both violent and non-violent; a dialectical and historical reality that has kept many of us alive up to this point.

Assuming that this was not Lenin's intent, and assuming that you all truly uphold worldwide socialism/communism, then the question must be asked: **Why is it that each and every white dominated/white-led "vanguard" in the United States has in fact done the exact opposite of what Lenin Proclaims/recommends when it comes to interacting with blacks and other people of color?**
