Yet, after our forebears were forced to build for you the richest country in the world with their blood and slave labor, the descendents of the white racist kidnappers, murderers and robbers who inherited the bloodstained loot have deluded themselves in the belief that they are the guardians of “law and order,” that their victims must recognize them as such, acquiesce in their oppression, and relinquish all claims to their stolen heritage.

The consequences of this self-delusion shall soon bear bitter fruit, as surely as the invasion of Vietnam effected the present ignoble defeat at the hands of the heroic Vietnamese people. The delusion of the oppressor will be submerged by the reality of the struggle waged by the oppressed.

So continue pursuing your Eichmann-like repressive policies which your sadistic racist pig torturers are seeking to enforce. Never will they succeed in breaking our spirit to resist injustices; or convince us that they are the lawful authority-nay, their very outlaw acts remove all doubt (if it ever existed) that they are the outlaws, since they violate not only the laws of ‘humanity but the constitutional and statutory laws they are duty-bound to uphold.

Indeed, they are much more than outlaws, they are mass murderers. No prisoner in the history of New York State-possibly of the United States-has ever borne the stigma of being the mass-murderer of 43 persons. Yet the mass murderers of 43 persons will not be indicted. They continue in office enjoying political largess and passing themselves off as upholders of law and order. The “people” who put them in office uphold and praise them for their savagery at Attica. They defend the deliberate premeditated murder at Attica, just as Eichmann defended his mass murders at his trial ‘by pleading that he was an innocent concentration camp administrator caught in the middle and “following orders.” But the Israeli Court, following precedents of the Nuremberg Tribunal, -rejected this defense on grounds that each individual is a free agent bearing responsibility for his or her individual acts.

The people support and acquiesce in the continuance in office of these mass murderers. They raise no outraged cry against them. They make no demand for their impeachment; no demand that the mass murderers be arrested, charged with murder and indicted. The message therefore is very clear: the white racist people of this oppressive racist society are our enemies who go along with every injustice perpetrated against us by their elected representatives. Their support of bestial, genocidal acts against us reflects their consciousness.
