

ORGANISATIONS

The Revolution in Rojava in Northern Syria has set an exceptional standard. With a foundation in feminism, ecology, anti-state organizing, and armed struggle, it has actualized a revolution beyond 20th century nationalism. With the founding of groups like the International Revolutionary People's Guerrilla Forces, it is clear that this is the time for anarchist revolutionaries to act without hesitation.

We declare our solidarity with the international anti-fascist and anarchist struggle, and propose concrete steps in the struggle for abolitionism.

Revolutionary Abolitionists must fight hand in hand with those facing oppression. We intend to establish a new Underground Railroad to free people from bondage. By building revolutionary self-defense networks, connecting them to one another, and developing militant strategies in our neighborhoods, our network will create the capacity to destroy state power and defend our communities.

A new global paradigm for revolution has been established, to be taken up by dedicated revolutionaries, autonomous territories, guerrillas in armed struggle, and all those engaged in the global drive towards liberation and away from statehood, capitalism, patriarchy, and domination.

We call on anti-state groups to join the Revolutionary Abolitionist Movement and send this message to our comrades to help build the capacity to burn down the American plantation once and for all.
Revolutionary Goals

SHORT TERM GOAL: THE UNDERGROUND RAILROAD

We will create networks for those facing detention, incarceration, deportation, or white supremacist violence to escape and live with dignity. We invite revolutionaries to help build a contemporary underground railroad, outside the reach of the state. Revolutionaries, social centers, and antifa groups that are already active can help build greater infrastructure of resistance to support those fleeing the state. From this foundation, we set the political framework for the next stages.

LONG TERM GOAL: BUILDING THE ABOLITIONIST PROJECT

For the Abolitionist project to be successful we must eventually transition from resistance to a revolutionary situation. Relationships and groups built through the underground railroad have the potential to become the foundation for organized defense groups, local councils, and regional/national councils.

We invite comrades to coordinate our activities regionally, and nationally as part of an Abolitionist Council.
